The Light of the Living God—Elaine Silver

I am the light of the living God, spirit moves through me,
You are the light of the living God, and joy is our destiny.
I am the love of a giving God, spirit moves through me,
You are the love of a giving God, and peace is our destiny.

I'm traveling through eternity, unraveling my humanity.
The darkest night and the deepest pain bring me back to
myself again.

I am the light of the living God, spirit moves through me,
You are the light of the living God, and joy is our destiny.

I'm traveling through eternity, unraveling my humanity.
The darkest night and the deepest pain bring me back to
myself again and again and again and again.

We forget and we remember, we forget and
we remember, we forget and we remember,
the truth of who we really are.

I am the light of the living God, spirit moves through me,
You are the light of the living God, and joy is our destiny
And peace is our destiny, and love is our ecstasy.

How Could Anyone—Elaine Silver

How could anyone ever tell you
You were anything less than beautiful?
How could anyone ever tell you
You were less than whole?

How could anyone fail to notice
That your loving is a miracle?
How deeply you're connected to my soul?

Blessing to the World—Karen Drucker

We are the heart, we are the hands
We are the voice of Spirit on Earth.
And who we are, and all we do
Is a blessing to the world.
[repeat once]

I am the heart, I am the hands
I am the voice of Spirit on Earth.
And who I am, and all I do
Is a blessing to the world.
[repeat twice]

I'm a blessing to the world.
I'm a blessing to the world.

Life is Good—Jimmy Landry

I love the birds in the trees, flowers swaying in the breeze, feel
the sun on my knees...Life is Good.
I love the wind in my hair, all the sounds in the air, I'm so happy
people stare...Life is Good.

Chorus: And if you ask me to explain to you exactly where it
starts, I would have to say its origin is right here in my
heart...Life is Good, Life is Good.

I love the feel of the day as it rolls along its way, nothing more
that I can say...Life is Good.
I love the colors in the sky, how they sparkle in your eye, I'm so
happy I could fly...Life is Good.

There's no time for me to grieve, I've got too much gratitude,
it's just a happy attitude...Life is Good.

Protection Prayer

The Light of God surrounds us
The Love of God enfolds us
The Power of God protects us
The Presence of God watches over us
Wherever we are, God is, and All is Well
